Valdocco, 1 May 2023

Dear Provincials

I wish you a happy month of May, rich in graces and satisfactions, and I send you this official communication on behalf of the Rector Major on the new publication of an online Salesian Bulletin, in several languages.

In full harmony with Don Bosco's intuition, this new form of Salesian Bulletin, directly coordinated and realised on behalf of and in the name of the Rector Major, has been realised. This bulletin does not replace the Salesian Bulletin of your province or nation, it is a new online version of the Salesian Bulletin in Italian, that of the Rector Major, in several languages.

The editor of the Salesian Bulletin online is Fr Andrei Monteanu, of the Central Headquarters, his official email is direttore.bsol@sdb.org so you can contact him directly.

Please spread this news, with this new online publication to the Salesian reality, Salesian Province and Salesian Family, in your area.

Fraternally!
Don Stefano

Here is the explanatory text by Fr Andrei in the online Salesian Bulletin

On the feast of our father Don Bosco, the 31st of January 2023, a new publication of the Salesian Congregation was launched, in seven languages, ***Salesian Bulletin OnLine***, desired by the Rector Major.

Its appearance was announced in advance in the Salesian Yearbook 2023, on page 11 of the first volume, and also in ANS at the following URLs:

<https://www.infoans.org/en/sections/news/item/17129-rmg-a-new-salesian-publication-salesian-bulletin-online-bsol>

and

The commitments of the feast of Don Bosco may not have allowed everyone to read ANS, because we have received information that the website address is unknown.

I ask you for this courtesy, on behalf of the Rector Major who has allowed me to make this communication, to inform the Salesian houses of the Province and the Salesian family of this new publication, which can be found at the easy-to-remember address, www.donbosco.press/en

For those who do not know any of the seven languages (English, Italian, Spanish, French, Portuguese, Polish, German) in which the ***Salesian Bulletin OnLine*** is written, one can easily

use the free website translation service offered by *Google*® *Translate*. Information on the translation procedure can be found on the site at this address:
