## **Founders of the North Rockland Community Facebook Page: Diego & Linda Aviles & Ellen Kelly Donovan**

This recognition celebrates the remarkable individuals who ignited a vibrant online tapestry for North Rockland - a community built by the people, for the people. In 2010, with a vision to empower local businesses and foster resident connection, Diego and Linda Aviles, and Ellen Kelly Donovan embarked on a journey that would profoundly impact countless lives. The North Rockland Community Facebook page, born from their dedication, has blossomed into a thriving platform of nearly 28,000 members. It stands as a testament to their unwavering commitment to weaving a stronger community. Through their tireless efforts, this virtual space has become a beacon of support. It's served as a lifeline during both literal storms, like Hurricane Sandy, and the recent, very real, challenges of the COVID-19 pandemic. The platform has facilitated crucial fundraising for residents in need, provided invaluable advice, and fostered neighborly assistance, helping North Rockland residents weather these difficult times. Their influence extends far beyond the digital realm.
