

### Kevin Lynch

Kevin's motto, whether at the former Lynch's Restaurant or the new Lynch's on the Green, has been the same: "We don't serve food. We serve the community." The late Paul Piperato, Rockland County Clerk, said it best about Kevin, "He has endured his own heartbreaks in life, but has taken those times and experiences and grew into the person he is today. The word 'no' is not in his vocabulary when it comes to assisting others. 'Service Above Self' is a daily way of life to Kevin and his family." Kevin serves on the board of Catholic Charities Community Services of Rockland.

### Jeannie Nicolakis

At Sparky's Diner in Garnterville, Jeannie greets each customer with a big smile. Known for her dedication to the community, she sponsors sports teams, donates to community organizations, gives back to families in need, and donates food when someone passes away. New York Senator James Skoufis explains, "Jeannie is constantly giving to others and asking how she can help. Jeannie has given so much of her life to uplifting North Rockland as a philanthropist as well as a successful business owner."

### Howard T. Phillips, Jr.

In addition to his service as Supervisor for the Town of Haverstraw, Howard has been supporting the community through his involvement with "Just for Fun Baseball", North Rockland Soccer Association, Haverstraw Little League, the Haverstraw Elks, Big Brothers-Big Sisters, United Way of Rockland County, and the Arts Alliance of Haverstraw. A lector at St. Gregory Church, he teaches religion there. He is a 4th Degree Member of the Knights of Columbus, member of AOH Division 1, and yes, he even finds time to lector at the Marian Shrine.

### The Mission of Marian Shrine

The Marian Shrine, a ministry of the Salesians of Don Bosco, offers people of all ages, especially young people, opportunities to deepen their relationship with God. We emphasize devotion to Mary Help of Christians and the pastoral style of St. John Bosco and his oratory in our apostolic endeavors.
