Dom Savio Alumni Reunion

By Fr. Mike Mendl, SDB

(East Boston, MA – July 23) –

Usually twice a year, members of the Class of 1977 of St. Dominic Savio High School (Dom Savio) in East Boston, Mass., get together informally for a classy dinner and a lot of reminiscing—anywhere from 12 to 20 of them. They've been doing this for many years and think it's probably unique among the alumni of U.S. Salesian schools.

The alumni met up again on Thursday, July 17, at Cafe Escadrille in Burlington, Mass., a Boston suburb. On this occasion, 12

members of the class took part; it had numbered 73 graduates, of whom several are now deceased.

They were joined that evening by their former freshman dean, Fr. Mike Mendl, who was in practical training back then and who now and then makes the trek to Boston to see them.

All of them are proud of their connection to Savio, which was closed in 1993, and deeply appreciate the education they received and the friendships they formed there, including with many Salesians.

East Boston: Hot Steam'n Time

By Bro. Bob Metell, SDB

(East Boston, MA – July 23) – When I was a young brother (a few years ago!), I worked at the Salesian summer camp in Goshen, NY. I took the junior counselors to see a Jim Carey movie. Two of the buzz phrases in the movie were “hot steam’n time” and “sizzling.” Both became our slogan for summer camp. Many parents told me those phrases fit the summer well that year because it was an unusually hot and humid summer. That being the only summer I was there, I took their word for it.

That phrase describes our camp this summer in beautiful East Boston! The air is steamy, and the youngsters are having fun. To ensure the campers do not get overheated, every

afternoon, Justin, our program director, and staff set up the water slide for the campers to have water fun and cool off. They get an extra bonus from being sprayed or drenched by a bucket of water. Last week, the campers went to a local state park and took a dip in the water fountain and sprinklers.

The summer is flying by! This week is week four of camp and the halfway point. It will not be long, and the youngsters will be returning to school.

On Friday, July 11, we celebrated the feast of St. Benedict, the founder of the Benedictine Order and the monastic way of life. He wanted the monasteries to be places of not just work and prayer, but also of hospitality and welcome. Don Bosco, in the model of St. Benedict, made his oratory, "a home that welcomes." That is what we attempt to do in East Boston—provide the youngsters and their families with a home that welcomes.

Stay tuned for more updates from East Boston!
