

Translation of the quote from Pope Francis:

Jesus' gaze that blesses invites us to be a Church that does not face today's challenges and problems with a divisive and contentious spirit but, on the contrary, turns its eyes to God who is communion and, with awe and humility, blesses and adores him, recognizing him as its only Lord. We belong to him and – let us remember – we exist only to bring him to the world.

Translation of Don Angel's greeting:

I wish each one of you and your families, together with the end of wars in our world, the Peace, Justice, and Joy of Baby Jesus.
